Greeting

Dear Fellow Labourers,

Brrrrrrr! November is here and the cold weather is setting in. Considering we are used to cooler weather in Scotland, the long nights make it a bit more challenging.

Ministry News

I had the privilege of connecting with fellow missionaries at the annual Arbroath ministry meeting. Thankful for faithful church planters and all those who came from the states to encourage us in preaching, singing, and fellowship.

One of the highlights of October was having the Maulucci family with us for the week. God used him in a mighty way years ago in my life, and honour should go to whom honour is due.

We had a wonderful time visiting castles, checking out the local cuisines (including Haggis), and enjoying long talks and fellowship.

Our kids enjoyed connecting with their kids again after our visit to Romania in 2024. The weather was not the best that week, but it was exactly the meeting we needed as a church and family. We are thankful for their faithfulness and pray for God's continual guiding hand in their life and ministry.

We enjoyed getting to connect with Graham again at the Torry care home this month with singing and fellowship. I'm loving watching my children play their instruments and sing with all their hearts (III John 1:4).

We celebrated Remembrance Day on the 8th. We are thankful for all those who served in the military giving us the freedom we have today. Across the Commonwealth, there were red poppies to commemorate military service.

Do continue to pray for Joe. He has returned to church coming on both Sunday and Wednesday. He left for some time with doubts and ridicule for Christianity, but is now coming to gain answers that only God's Word can provide.

Pray for all the new families that have been attending over the past few months. They are growing and connecting, but we know the enemy will attempt to swoop in and pull them away.

Family

Sarah celebrated her 36th birthday! She is such a wonderful wife, mother, and friend. She was spoiled, but deserves far more than can be given.

Madelyn (12) has her first recital coming up in December. She will playing violin alongside a piano student. She is nervous, but has been practicing quite a bit to get it just right.

Katelyn (10) has demonstrated her competitive spirit at Sarah's co-op. She is a pleasure to play with unless she is losing.

Jocelyn (8) was thrilled to complete the 10,000 New Testament distribution recently. She held off handing out the last NT, so we could take a photo.

Gracelyn (7) is excited about the karate competition in December. She plans to beat up anyone who stands in her way of getting gold.

Richard III (5) woke up one morning and decided he is too big for stuffed animals. After given them all away, he is now focused on creativity, drawing and colouring whenever possible.

Oliver (2) has begun potty training, but it is slow going. It has been busy for us the past few months, but it doesn't help that he is stubborn.

Furlough 2027

Everything is moving forward for our furlough from March 16th-June 15th 2027. We have been contacted by churches in KY, IN, OH, TN, NC, SC, FL, AL, WY, & CA. We are thankful for all those who have reached out, and we plan to make contact once we have specified times for those specified areas.

We are still working on **transportation while stateside.** We've been offered transportation from a location in TX, but unsure since it is a 15hr drive from where we fly in. We are still keeping our options open for a 8–12 passenger vehicle during those four months that we could possibly **borrow**, **rent**, or **purchase.**

If a church or individual has a suitable vehicle that we could **borrow** for all or part of our furlough, or would like to **give** toward helping us secure one, it would be a tremendous blessing to our family.

Please pray with us as we finalise our schedule. If you would like us to come and update your church, please let us know.

Closing

We are so thankful for your continued prayer and support for us. So many blessings to look at over the past year. Things we know that only God could have provided and sustained.

In Christ,
The Demastus Family
